HAPPY BOATING !!

The Christmas Boat Parade of Lights on Lake Conroe started with the desire of wanting to help kids, wanting to share love and affection with children that were separated from their families. We wanted to do something different, something magical!! Together, we make things happen. Together, we bring back the magic, the love and the beauty of the holidays, of that love that unites us all.

This year, we chose . . .

The Children’s Safe Harbor Organization.
Their mission is to protect and enhance the life of every child who has the courage to battle sexual and physical abuse.
